

# *Income Generation Project*

Southern Asia Division of SDA  
Women's Ministry Department

Diana Jaworski with Premila Masih, SAD WM Dir.

I was invited to speak at the Southern Asia Division first women's congress in Roorkee, India, on October 1-4, 2014. It was a beautiful experience sharing God's Word with women ministry leaders. Throughout the congress I learned about the division's *Income Generation Project* for needy women of India. This project consists of giving goats, sewing machines, and food stalls to needy women in order to generate income to support their families. When I returned back to the USA, I felt impressed to spread the word about this project and pray that God will touch hearts so that they can donate a bit of their resources to help our sisters in India. Each goat is about \$125.00 and each sewing machine is about \$150.00. Any amount offered will help towards these items as well as food stalls. Please visit my website to learn more about this project: [www.creativebox.org](http://www.creativebox.org). Or email me directly: [diana@creativebox.org](mailto:diana@creativebox.org).

*Thank you for your consideration and support!*
