## Like a Well-Watered Garden

*"The LORD will guide you continually, giving you water when you are dry and restoring your strength. You will be like a well-watered garden, like an ever-flowing spring." ~Isaiah 58:11*

### A Well-Watered Garden

A well-watered garden is teeming with life! It's fresh, attractive, flourishing, and gives off a most delightful fragrance. How about your women's ministry? Is it like a well watered garden? If not, do not give up! It can be alive again! Here are just a few tips to revitalize it/keep it fresh:

- **Pray.** At times leaders are so involved in accomplishing what's on their to do list and may not realize that their ministry is dry and need some water. So pray. Ask God to help you and your ladies uncover areas that may need some refreshment. This could be the area of outreach, planning creative events that will inspire and motivate, or it could simply be in the area of spiritual growth. As you seek God for guidance, He will show you the areas that need improvement and ways to improve.
- **Set Goals.** Goal setting brings purpose and unity to your group. This also brings happiness and fulfillment once your goal is reached. Make sure you set a reward for when the goal is reach. This will motivate everyone involved. Remember to delegate and assign strategies to different ladies so that everyone is working in different ways to reach your goals. Using the S.M.A.R.T. system, your goals should be:

- **Be Creative.** I have heard so many people say, "But I'm not creative!" Begin by saying to yourself that you are creative because you serve an awesome and powerful God that promises to help you in all situations. And if you need help in the creativity department, He will help there as well. Being creative does not need to be a complex matter. It could be as simple as doing something in a new way or doing things differently, from a fresh perspective. As you seek ways to be creative, ask God to inspire you with a new thought, a new way of doing things. From my past experiences, when you sincerely desire to serve God and others, creativity will flow like a water fountain.
- **Seek God First.** In all things, make God and the seeking of His kingdom first and foremost and everything else will fall in to place. Your events and programs will be filled with His presence and your ministry will truly be like a well watered garden. Everything done will be as a sweet fragrance unto Him and others will be attracted as well.
