To Whom It May Concern:

I hereby want to express, from one who bears witness, of the knowledge and creativity of the Sister Diana Jaworski. I had the privilege to meet and share with Sister Diana Jaworki at our local spiritual emphasis day "Seeking Peace at His Feet", which she was one of the invited presenters. This activity took place during the days of September 20-22 at the Tranquility Valley Retreat Center in New Jersey.

The testimonies of the 103 ladies who were present speak for themselves. The workshops she presented there were very effective in the lives of these ladies. I can only add that the humility and knowledge of Sister Jaworski come from heaven. The workshops were simple but full of divine inspiration of such a degree that for me is a pleasure to have again to Sister Diana Jaworski as a presenter at the Greater New York Conference Annual Women's Prayer Retreat next year.

It is my pleasure to submit this letter of recommendation on behalf of Sister Diana Jaworski to you that is reading as guarantee and testament to the work this servant is doing for the Lord and to Women's Ministry.

Cordially,

Santia Cortes, Hispanic Coordinator
